PROFILE

Enthusiastic and Dedicated worker who is always ready and willing for new challenges that come my way. With my 10 years of experience involving leadership and organization I've had a role in a variety of fields that have given me the ability to adapt and grow in various aspects; such as interpersonal and critical thinking. I find that my most recent experience has involved all of my years of work and has granted me the ability to succeed in many aspects such as teamwork, time management, and flexibility.
